OFFICIAL RESULTS ARE CERTIFIED FOR THE NOVEMBER 8, 2022 GENERAL ELECTION

Contra Costa County Clerk-Recorder-Registrar Debi Cooper certified the results of the November 8, 2022 General Election today.

“Our elections team has once again administered an accurate, transparent, safe and secure election for Contra Costa County. This team of expert staff made a very complicated and technical process look easy - it isn’t,” Cooper said. “I am proud of this talented group, who make democracy happen for Contra Costa voters and provide incredible service. This includes: permanent staff, temporary workers, poll workers, and volunteers. I want to thank each of them for their hard work and civic service. It is my honor and privilege to certify my last election as the head of this department.”

The Elections Division conducted the canvass to complete the official count of all qualified ballots and to perform audits to verify the tabulation equipment performed as intended.

The purpose of the canvass accomplishes four primary tasks: ensuring that every eligible ballot is counted, that voters only voted once, that proper procedures were followed, and that the vote tabulation system counted ballots properly.

The final turnout for this Primary Election totaled 394,153 ballots cast, representing 56.15% of the 701,969 registered voters of Contra Costa County.

The final official report for this election is now posted on the Contra Costa County Elections website at www.contracostavote.gov.
