ELECTION EQUIPMENT TESTING TO ENSURE ACCURACY
Public Test of Vote by Mail Counting Equipment on March 25, 2022

The April 5, 2022 Special Election for the California Assembly District 11 office is underway in California. The Contra Costa County Elections Division will perform the county’s official logic and accuracy testing on central ballot counting and processing equipment at 10:00 am Friday, March 25th, 2022 at the Elections Office, located at 555 Escobar Street in Martinez and the public is invited to observe.

Logic and accuracy testing is a standard pre-election procedure. The test will confirm that all central count equipment is in working order and functioning properly. A set of test ballots will be run through each scanner to ensure they are properly programmed and operating as expected.

Visitors are asked to check-in at the Elections lobby. For more information, call 925-335-7800.
